

## **Additional information concerning the tender conditions No. 5**

**Tender caller:** Univerzita Palackého v Olomouci  
**Contract title:** Institute of Molecular and Translational Medicine – Platform for chemical biology - robotics  
**No. of public tender:** 7202011008126

The tender caller received a request for additional information concerning the tender conditions for the aforementioned public tender on 6<sup>th</sup> April 2012. The tender caller has hereby provided the following additional information to these tender specifications in accordance with the provisions of section 49 of Public Tender Act no. 137/2006 Coll. The tender caller will send this additional information, including the precise wording of the queries, to all of the suppliers who have received the tender documentation.

### **Query no. 1:**

I would like to ask you, whether the quoted goods in a LOT B8, including of all components should be brand new, or whether you accept the possibility that the goods will be refurbished (either completely or either only some parts) or whether you accept for example demo instrument.

### **Answer no. 1:**

The tender caller requires completely new equipment.
